What comes next for my athlete if they make the All State Team?

If your athlete is named part of the All State Team, we will be reaching out to them about demoing at the WSCCA Coaches Conference. We will have different speakers, coaches and industry professionals that will need demo athletes to showcase their techniques and methods to help grow cheerleading in the state of Washington. What better way to do that than by letting them borrow our state's most talented athletes!? Demoing is not a requirement of making the team.
